

iGUIDE[®] LEAD MAGNET

Connect with more
potential buyers using
iGUIDE Lead Magnet

Turn your 3D Tour into a lead capture machine!

Seamlessly transform your iGUIDE listing with the iGUIDE Lead Magnet. Offer a sneak peek of your property listing via the iGUIDE teaser view and encourage potential buyers to complete the form, requesting access to the iGUIDE detailed view.

Gather listing feedback, qualified leads and an easy-to-use engagement experience on every one of your listings by using the iGUIDE Lead Magnet today!

How it works:

Your iGUIDE Service Provider creates two views of your iGUIDE 3D Virtual Tour (teaser and detailed).

Prospects are shown the iGUIDE teaser view and complete a form to request access to the detailed view.

Leads are delivered to your inbox without having to lift a finger.

A 24/7 virtual open house and lead generation machine

The iGUIDE Lead Magnet is a quick and simple way to connect with interested buyers and prospects. It instantly captures their details and makes the connection.

We've built it with you in mind. During peak seasons, use the automated response to provide everything buyers need without missing a beat. They'll get the information they're looking for in seconds and an introduction is made each time! Alternatively, use a custom response for a more tailored approach with an offer to book a Virtual Showing or preview a more detailed iGUIDE 3D Virtual Tour.

You're in control, each iGUIDE can be customized to fit your listing needs.

Get feedback from buyers 24/7!
